Dear Director Pan,

I'm Cindy Wang, a member of Green Town. We are happy to have a nice, comfortable town since you are our director. Thanks. However, something is changing.

Several weeks ago, I was told there were great snakeheads in the river in the park. More and more great snakeheads were caught these days. What's even worse, a piranha was caught yesterday!

That park with a lot of tall trees and a river is people's favorite place in their free time. They like taking a walk or playing with their children there. Some people enjoy fishing in the river. Sometimes some children play in it. But the nice time perhaps will be changed by the great snakeheads and piranhas.

Great snakeheads will eat up all the other small fish. Humans may be attacked by these big fish when they get too close to their nest (the fish's home). Piranhas are more terrible, and they attack children more often. Action must be taken for these two dangerous animals.

Great snakeheads and piranhas, in fact, are safe for eating. So why not hold fishing games in the park and have snakehead and piranha cooking parties at the same time? People can enjoy fishing and delicious fish dishes, and more importantly, the number of those fishes will be reduced year by year if we keep doing so.

Surely, holding these games and parties needs your help. As the director of Green Town, I ask you to take my ideas into consideration, and I am sure all the members of Green Town will join them happily.

Thank you for your attention to this serious problem.

Sincerely,

Cindy Wang

BUBBLE RUN

APRIL 19, 2022

Hello everyone,

The Bubble Run has been a big part of summer since 2013. However, the Bubble Run will not be held this year because of COVID-19.

It's dangerous to hold such a big event right now.

We are sorry about this, and we will miss you all.

Please stay safe.

See you in 2023!

Eden

What?! No ... this can't be true! I have taken part in this fun run for the last seven years. I love playing in the red, green, blue and yellow bubbles. My friends and I always have a good time at this race. I'm so sad.

Sunny

This is terrible news! The Bubble Run last year was my first one, and I really enjoyed it. I don't usually like sports, but a fun run doesn't feel like exercise. Dancing in the rainbow bubbles was really fun. I took so many beautiful pictures. I can't wait to do it again in 2023!

David

Great! I HATE the Bubble Run. The loud music and noisy people are a nightmare for my neighbors and me. The wind blows the bubbles all over, and I always get them in my garden. The soap from the bubbles kills my flowers and turns my grass brown. I'm very happy because it won't happen this year!

8. What does the website want to tell people?

- (A) The history of the Bubble Run. (B) How to take part in the Bubble Run.
(C) The Bubble Run will not be held in 2022. (D) The Bubble Run is on April 19.

9. What is **TRUE** about the reading?

- (A) Eden has been to the Bubble Run seven times. (B) Sunny's never taken part in the Bubble Run.
(C) The Bubble Run has been held for seven years. (D) The soap from the bubbles helps flowers grow.

10. Which message may David send to his friend, Leila, after he read her message?

- (A) Oh no. I hate COVID-19.
(B) It's okay. We can have our own Bubble Run.
(C) So sad. I planned to take part in this event this year.
(D) Yes, I did. That's good news for me and my flowers.
