At the end of June of 2019, I arrived at a small island near the Great Barrier Reef. In the beginning, I was unhappy because I could not understand Australian English. A month later, I finally got a job as a waiter. I made friends with people from many different countries. Thanks to them, I began to like the place.

A few weeks later, I started traveling on weekends. I enjoyed going surfing and sailing. The island was a great place for water sports. I also loved to camp on the beaches and watch the beautiful sunsets. What a wonderful experience!
