21. 答案：B

解析：W: You are free tomorrow, aren't you?

M: Yes, I am. It's my day off.

W: Would you like to go shopping with me?

M: No. I'll either hang out at the gym or go to the bookstore.

Q: What might the man do tomorrow?

22. 答案：C

解析：M: Bad news. All train tickets to Taitung on both June 15 and June 16 are sold out.

W: What! How can we go there then?

M: We can go either by plane or by car.

W: It takes too long to drive to Taitung, so I guess there's only one choice left.

Q: What does the woman mean?

23. 答案：A

解析：W: Eric, you are so late today.

M: I missed my bus, so I took a taxi. But the traffic was very bad. The meeting has already started, hasn't it? I hope Mr.

Watson is not mad at me.

W: Well, Mr. Watson has changed the meeting time to 2 p.m. He couldn't make it for the meeting, either.

M: Wow! I am a lucky man, aren't I?

Q: Why does Eric think he's lucky?

24. 答案：A

解析：M: Can you teach me how to drive, Mom?

W: No, Carl. You're too young to drive.

M: When can I learn to drive?

W: When you're 18 years old.

Q: Why can't Carl drive?

25. 答案：A

M: I see. Let's check the boy's arms and legs.

Q: Who are the speakers?

26. 答案：B

解析：W: Tom, you should be sleeping now. Go to bed.

B: Let me finish this page. The girl whose brother went missing after the earthquake came back alive.

W: I know it's a good story, but you must go to bed. Put it away now. I'm turning off the light.

B: Alright. Good night, Mom.

Q: What was Tom doing?

27. 答案：B

解析：W: Nathan, you have invited Jason to your birthday party, haven't you?

M: No, I'm not going to invite him.

W: What's wrong? He's your best friend, isn't he?

M: Not anymore. We had a fight yesterday, and he said something really mean to me. I was so mad that I decided not to talk to him again.

Q: What do we know about Nathan and Jason?

28. 答案：A

解析：M: Why are you looking so sad?

W: I was watching a news report about a girl whose parents died in the earthquake. It is really sad.

W: We can either donate some money or send some useful things to her.

Q: Why do the speakers want to help the girl?

29. 答案：B

G: Dad, neither the garbage nor the recycled items will be collected today. It's Sunday, isn't it?

Q: What does the girl mean?

30. 答案：C

G: Neither did I. The noise from the street was so loud that I kept waking up in the middle of the night. What kept you up last night?

G: Let's pray that both you and I can pass the test today.
