G: Is there anyone with him right now?

B: Both of his parents are at work, but his older sister is with him.

Q: What does the boy mean?

22. 解析：W: Sam. You are looking good today. Where are you going?

M: I am going to Jimmy's party. Do you want to come with me?

W: Sure. Should I change my clothes first?

M: Don't worry. You look great. Let's go.

Q: What will the woman do next?

23. 解析：B: Nancy, who are those men?

G: They're my older brothers. The taller one is Mike, and the shorter one is James.

B: Are both of them still students?

G: No. Only one of them is. James is still in school, but Mike is a doctor now.

Q: What do we know about the girl's brothers?

24. 解析：W: Brian, are you living with your children?

M: No. I am only living with my wife.

W: What about your children? Where are they

now?

**M:** Both of our sons moved to the city for work a few years ago. Our youngest daughter is living near her school by herself now.

**W:** Do you feel lonely about that?

**M:** Not at all. My wife and I can take care of ourselves. We love our life now.

**Q:** What do we know about Brian's life in the dialogue?

25. 解析 : **M:** Lily, stop eating so many French fries and sweet snacks. You should eat more healthy food.

**W:** Don't worry. Although I love eating French fries and sweet snacks, I will be as healthy as you if I jog more.

**M:** Come on! I never see you jog. If you really want to do it, come jogging with me tomorrow morning.

**W:** Well...OK. I will go jogging with you if I can get up early tomorrow morning.

**Q:** What do we know about Lily?

26. 解析 : **G:** Excuse me. Where is the ABC school? I am lost.

**B:** Oh, it's pretty near, actually. Do you see the high red wall over there? The school is just behind it. I'm going there now, so follow me.

**G:** Really? I'm so lucky! Thank you so much!

**B:** You're welcome.

**Q:** What happened to the girl?

27. 解析 : **M:** Katie, the weather is terrible today. I can even hear the wind blowing outside. If you leave the house now, you won't be able to come back safely.

**W:** But we need food. If I don't go to the supermarket, we will have nothing to eat during the typhoon!

**M:** Although there isn't much food, we still

have some eggs and bread. We will be fine.

Besides, this typhoon is moving very fast.

Perhaps it will be gone by tomorrow.

**Q:** What is the man trying to do?

28. 解析 : **B:** I found a cellphone on the bench over there. It must belong to the bus driver. I saw him taking a break on the bench just a few minutes ago.

**Q:** How many questions did the boy answer by himself?

30. 解析 : **M:** Helen, did you feel the house shaking yesterday?
